Report on “Natural Farming” Inspired by Hon’ble Governor of Gujarat

Organized by NSS Unit – Government Arts and Science College, Kaparada,
District Valsad

Date: 17th July 2025

Venue: College Garden, Government Arts and Science College, Kaparada, District: Valsad

The NSS Unit of Government Arts and Science College, Kaparada, District Valsad, organized an inspiring and environmentally conscious programme on “Natural Farming” at the college campus. This initiative was motivated by the vision and guidance of the Hon’ble Governor of Gujarat, who has continuously emphasized the importance of sustainable agricultural practices and the preservation of natural resources through organic methods.

The programme aimed to promote awareness about natural farming methods among students and staff and to encourage them to adopt eco-friendly and chemical-free farming practices for a healthy and sustainable future.

Planning and Initiative:

The entire programme was conceptualized and coordinated by Shri Anish C. Gamit, the NSS Programme Officer of the college. Under his thoughtful planning and with the enthusiastic support of the NSS volunteers, the programme was effectively executed.

સ્થાપના વર્ષ ૨૦૧૨ ઇ-મેઇલ: gackaparada@gmail.com, URL: www.kaparadacollege.org

Inauguration:

The initiative began with the **ceremonial plantation** led by the **Principal of the College, Shri Manoj Patel**, who inaugurated the event by planting various vegetable and flower plants in the college garden. He addressed the students and staff, speaking about the harmful effects of chemical fertilizers and pesticides on the environment and human health. He emphasized the value of returning to traditional and nature-friendly farming practices.

Activities Conducted:

After the inauguration, all faculty members, NSS volunteers, and students actively participated in **planting a wide variety of vegetables, flowers, and fruit-bearing plants** across the college campus. The plantation included seasonal vegetables like brinjal, okra, tomato, chili, spinach, and gourds, along with marigold and sunflower plants and fruit plants such as papaya, lemon, and banana.

The activity also included:

- Preparation of **organic compost** using dry leaves and waste from the campus.
- Installation of **organic manure pits** for future use.
- A brief **demonstration session** on natural fertilizers and pest repellents like jeevamrut and dashparni ark.

Objectives of the Programme:

- To create awareness about the benefits of **natural farming** and **chemical-free agriculture**.
- To encourage **eco-consciousness** among students and staff.
- To utilize college campus land for **productive green practices**.
- To contribute to the **Green Campus Mission** and environmental sustainability.
- To promote **self-reliance** and **skill-building** among students in farming and gardening techniques.

સ્થાપના વર્ષ ૨૦૧૨ ઇ-મેઇલ: gnckaparada@gmail.com, URL: www.kaparadacollege.org

Outcome and Impact:

The event was a **grand success**, witnessing the active participation of more than 100 students and all faculty members. The NSS volunteers pledged to take care of the plants and maintain the garden throughout the year. The green patch created during this drive will now serve as a **model plot for natural farming demonstration** and a **learning space for students from all disciplines**.

This Initiative not only enhanced the beauty of the campus but also sowed the seeds of awareness, responsibility, and sustainability among the future generation. The effort was well appreciated by everyone and aligns with the vision of the Hon'ble Governor of Gujarat towards a **"Healthy Gujarat through Natural Farming"**.

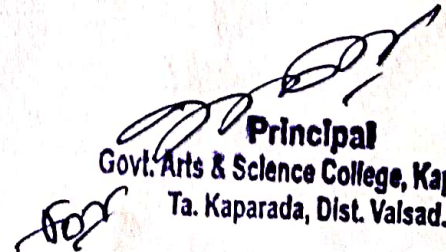

Acknowledgement:

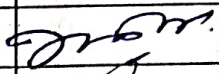

The NSS Unit extends heartfelt thanks to the **Principal Shri Manoj Patel, Coordinator Shri Anish Gamit**, all faculty members, and enthusiastic NSS volunteers for making this noble initiative a reality. The college aims to continue such environment-friendly programmes in the future, thereby contributing positively to society and the ecosystem.
