Alumni Feedback for Syllabus
22/12/2022

Action Taken

Alumni Feedback taken in the Academic Year 2018-19 and 2021-22 were reviewed on 22/12/2022 by the Principal & Staff. The feedback revealed that the teachers kept them updated, related the content of the syllabus with the real-life situation, taught effectively, completed syllabus, encouraged the alumni to use library. While the feedback on issues like "whether syllabus helped to develop personality", "whether syllabus was useful for various competitive exams", "whether teachers encouraged them to participate in co-curricular and extra-curricular activities", received relatively less approval. The question "whether teachers encouraged them to participate in in co-curricular and extra-curricular activities" received relatively less approval. The question "whether Innovation and Startup should be included in the curriculum" received an encouraging response.
