1. Students

DVV Clarification

Regarding DVV Suggestion we declare that HEI input is correct. There is a discrepancy in the Academic year 2020-21, 2021-22 and 2022-23. As per our record we had 154 students in 2020-21, 195 students in 2021-22 and 277 students in 2022-23. As supporting documents, we attach roll call of all five assessment years. Moreover, as per DVV suggestion metric 2.1.1. we also attach herewith link of the admission approval documents received from the university and attested by the principal.

Supporting Documents:

| Sr. No. | Description | Supporting Documents |
|---|---|-------------------------------|
| Number of students year wise during the last five years | All five years roll call | View Document |
| | 2.1.1. we also attach herewith link of the admission approval documents received from the university and attested by the principal. | View Document |
