Respected **Prof. A. U. Patel Sir,**

This is to inform you that we are submitting the Institute Development Plan (IDP) for our college. The IDP has been prepared in accordance with the IDP Draft guidelines of UGC. The plan outlines our vision and mission for the upcoming years and provides a comprehensive roadmap for achieving our goals for better implementation of NEP-2020.

The IDP has been developed after extensive consultation with stakeholders including faculty members, students, alumni and other experts. It focuses on improving teaching-learning processes, enhancing research capabilities and creating a conducive environment for innovation. The plan also includes strategies to strengthen infrastructure and promote student welfare activities.

We would be grateful if you could kindly approve our IDP so that we can start implementing NEP-2020 at the earliest.

We look forward to your support in implementing this plan successfully.

Thanking you,

Yours sincerely,
